What is this product?

Type: Shares of a Sub-Fund of Amundi Funds, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: Seeks to increase the value of your investment (mainly through income), and outperform the benchmark, over the recommended holding period, while achieving an ESG score greater than that of the benchmark.

Benchmark: Bloomberg US Universal Index. Used for determining financial and ESG outperformance, and for risk monitoring.

Portfolio holdings: The sub-fund is actively managed. It extensively invests in corporate and government bonds and asset- and mortgage-backed securities (ABSs/MBSs). The sub-fund may invest anywhere in the world, including emerging markets. The bond investments may be below investment grade. The sub-fund may or may not hedge currency risk at the portfolio level, at the discretion of the investment manager. The sub-fund uses derivatives to reduce various risks (hedging), manage the portfolio more efficiently, and gain exposure (long or short) to various assets, markets or other investment opportunities such as credit, interest rates and foreign exchange.

Management process: In actively managing the sub-fund, the investment manager uses market, issuer and credit analysis to identify issuers that appear more creditworthy than their ratings indicate. The sub-fund is mainly exposed to the issuers of the benchmark, however, the management of the sub-fund is discretionary, and will invest in issuers not included in the benchmark. The sub-fund monitors risk exposure in relation to the benchmark however the extent of deviation from the benchmark is expected to be significant.

The sub-fund promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment and to receive income over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Funds prospectus.

Distribution Policy: As this is a distributing share class, investment income is distributed.

More Information: You may get further information about the Sub-Fund, including the prospectus, and financial reports which are available at and free of charge on request from: Amundi Luxembourg S.A. at 5, allée Scheffer 2520 Luxembourg, Luxembourg.
The Net Asset Value of the Sub-Fund is available on www.amundi.lu

Depository: CACEIS Bank, Luxembourg Branch.

What are the risks and what could I get in return?

RISK INDICATOR

The risk indicator assumes you keep the product for 4 years.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

We have classified this product as 3 out of 7, which is medium-low risk class. This rates the potential losses from future performance at a medium-low level, and poor market conditions are unlikely impact our capacity to pay you.

Additional risks: Market liquidity risk could amplify the variation of product performances.

This product does not include any protection from future market performance so you could lose some or all of your investment.

Beside the risks included in the risk indicator, other risks may affect the Sub-Fund's performance. Please refer to the Amundi Funds prospectus.
