Following the change of Index, the minimum proportion of sustainable investments of the Sub-Fund will change from 20% to 10%, as reflected in the Section ESG Related Disclosures of the Sub-Fund.

A full description of the New Index, its construction methodology, as well as information on the composition respective weightings of the components are available on the Index provider's website at <https://www.spglobal.com/>.

The Sub-Fund will bear the costs associated with these changes. The attention of the Shareholders is drawn to the fact that the costs linked to these changes could have a negative impact on the net asset value of the Sub-Fund.

As a consequence of these modifications, the Prospectus, Key Information Documents and pre-contractual disclosures templates in the revised section on ESG Related Disclosures of the Sub-Fund will be amended accordingly. An updated Prospectus will be issued on or around the Effective Date to reflect the modifications subject to noting by the Central Bank.

The Prospectus and Key Information Documents of the Sub-Fund will be made available by the Management Company upon request or may be consulted on the following website: www.amundi.com and www.amundi-etf.com.

The prospectus, the key information documents, the articles of association as well as the annual and semi-annual reports of the ICAV may be obtained free of charge from the representative in Switzerland.
