## AMUNDI STAR 2

Holders of units\* of the **AMUNDI STAR 2** mutual fund, managed by Amundi Asset Management, are hereby notified of the following changes with effect from 22 January 2024.

Your management company, Amundi Asset Management, has decided to make responsible investment one of its pillars of development.

The mutual fund already incorporates environmental, social and governance (ESG) criteria into its investment process, but the management company has decided to go further in incorporating these criteria into your fund by implementing an approach based on a meaningful commitment.

Therefore, at least 90% of the portfolio securities will have an ESG score and the fund will adopt a rating improvement approach which involves obtaining a higher weighted average ESG score than the weighted average ESG score for the investment universe after eliminating the 20% of issuers with the lowest ratings.

This investment universe will be represented by the ICE BOFA 1-3 year Global Corporate index.

Therefore, your fund will also adopt a best-in-class approach, which involves favouring issuers who are leaders in their business sector as per the ESG criteria identified by the management company's team of non-financial analysts. Finally, issuers with a G score at the time of purchase will be excluded by the investment management team.

These amendments do not need to be approved by the French Financial Markets Authority (Autorité des Marchés Financiers) and do not require you to take any specific action.

The other characteristics of the AMUNDI STAR 2 fund remain unchanged.

The Key Investor Information Document (KIID) and the prospectus for the AMUNDI STAR 2 fund are available online at [www.amundi.com](http://www.amundi.com).
